

Paul Wysocki – CenturionCARES EVP & Chief Technology Officer

Paul Wysocki has served as [CenturionCARES](#) Executive Vice President and Chief Technology Officer since 2014. Paul joined the company, co-founded by his father Larry Wysocki, in 1989. Paul has been an integral part of CenturionCARES' growth over three decades in his previously held positions of Vice President of Engineering and Support, as well as Applications Project Leader.

Paul earned his degree in Computer Science and Engineering from the Massachusetts Institute of Technology (M.I.T.) and brings a wealth of experience perfectly suited for the type of solutions CenturionCARES brings to market. While Paul's contributions to CenturionCARES' success have been numerous, his design for the [Interactive Voice Response \(IVR\) system](#) and the all-encompassing [CARES Contact Center Solution](#) stand out as major accomplishments. He and his team share a passion for turning customer feedback and ideas into innovative and workable solutions.
